General Description

Select, aged cayenne peppers are used to produce a rich, red flavorful hot sauce. This is the "original" hot sauce; it has outstanding flavor and aroma with a moderate heat level. It doesn't "burn" out other flavors when used as an ingredient. All natural, contains no gums, starches, or other additives.

Moderately thick, deep red sauce with strong aroma and moderate heat level.

Benefits Of Using This Product

This cayenne pepper sauce is contained in a shatter-resistant plastic jug. With the same flavor surge you get in the glass bottle, plus easier storage and safer handling, Frank's RedHot sauce in the TasteSaver plastic jug just makes sense for foodservice.

The high-barrier layered plastic protects the great taste of Frank's RedHot Sauce by keeping oxygen out and flavor in.

It's unique shape takes up less space and creates less waste than glass. Plus, it eliminates the safety risks of broken glass.
