

# Ladd Elementary Parking Lot Plan

In order to help with congestion and student safety, this is the new plan for our parking lot.

Detailed view of Car Drop-off & Pick Up

✘ = Designated **“stop and wait”** areas to drop-off/pick-up your child. The middle of the lane is for moving cars only.

DO:	DON'T:
+Drop-off your child on either side of the Stop, Drop & Go	-Let your child cross in front of other cars
+Pull in to the next available spot along the sidewalk (“leap frogging” is OK)	-Stop your car in the moving lane
+Have your child cross the lane at a designated crosswalk with an adult	-Block the intersection
+Use the parking lot or F St. if you need to get out of the car	-Call for your child to pass in front of other cars
	-Leave your car empty in this drop-off/pick-up zone
