THE ALASKA ROOM

- To foster an understanding of Alaska Native Culture and history.
- To represent Alaska Native Cultures with pride and integrity.
- To nurture pride in the individual heritages and cultures of each child

The Alaska Room is an immersive experience for students, as a mini-museum with artifacts from each major Alaska Native Culture. The three sections of the room represent the major geographic areas of Alaska: the Southeast (Haida, Tlingit & Tsimpshian), the Interior and Southcentral Athabaskan, and the Tundra/Coastal areas which include the Inupiaq, Yupik, Unangan & Suqpiak cultures.
