

PARENT ADVISORY COMMITTEE

The PAC identifies and prioritizes the educational needs of the Alaska Native and American Indian students in the district. The committee collaborates with the school district to develop and evaluate the grant-funded program.

All parents are encouraged to participate in PAC meetings.

Alaska Native Education Program

Mission Statement

TO ASSIST OUR ALASKA NATIVE AND AMERICAN INDIAN STUDENTS IN SUCCEEDING WITH THEIR EDUCATIONAL PROCESS, AND TO PROVIDE AN APPRECIATION OF THE INDIGENOUS CULTURES WITHIN THE FAIRBANKS COMMUNITY.

ANE HISTORY

Since 1974, the FNSBSD has received federal Indian Education Title VI formula grants to supplement the school program to meet the needs of Alaska Native and American Indian students. Over the last thirty-five years, the ANE program has evolved to provide a wide variety of services that include: culturally relevant curriculum, academic tutoring, attendance monitoring, family advocacy, higher education support, cultural activities, leadership skill development, and mentoring.

The ANE program supports AN/AI students in grades K-12, and provides cultural enrichment for all students in the Fairbanks North Star Borough School District.
