### TRUMAN D. PICARD (1946-1986)

To honor Truman D. Picard the Intertribal Timber Council (ITC) established a scholarship program in his name. Truman served on the ITC Board of Directors from 1982 to 1985. While working for the Bureau of Indian Affairs, Colville Agency (Nespelem, Washington), in presales he attended the Forest Engineering Institute at Oregon State University becoming one of the first people from the agency to complete this program. In 1977, Truman transferred to the Colville Tribal Forestry organization taking a position as Supervisory Forest Technician in charge of woods operations. Later he was promoted to Assistant Supervisor of Forestry Operations.

Because of his drive and determination to complete his education Truman returned to Oregon State University earning a Bachelor of Science Degree in Forest Management. Upon his return from college, he was appointed Director of Colville Tribal Forestry. His work for the Tribe will always be remembered by his individual efforts to bring BIA Forestry and Colville Tribal Forestry together in a joint effort to improve the level of Forest Management on the reservation – truly a lasting legacy.
