This School Report Card presents information about the school’s performance for the 2015-2016 school year. The Alaska Measures of Progress assessments in English Language Arts and Mathematics were not given in Spring 2016. As such, the performance on the Alaska School Performance Index (ASPI), is provided from 2013-14 (2014-15 ASPI was not calculated due to only one year of test scores for which growth scores would be unavailable).

Under ASPI, each school receives a score on a 100-point scale and a star rating from 1-star (lowest) to 5-stars. The ASPI score and star rating give an overall picture of how well the school is doing to prepare the students to be college-, career- and culturally ready graduates.

Detailed assessment, ASPI, and AMO results are available on the Department of Education & Early Development website at: education.alaska.gov.

* Students that identify multiple races/ethnicities are reported as “two or more races” and not in any of the races/ethnicities identified. However, if the ethnicity of Hispanic is identified, then the student is reported as Hispanic.

** A new reporting category beginning in 2014-2015 is the “Active Duty” category. This category identifies whether the student has a parent/guardian on active duty in any branch of the uniformed services of the United States, the Alaska National Guard, the Alaska Naval Militia, or the Alaska State Defense Force. This category has only been identified for two years (2014-15 and 2015-16).
