

Ticasuk Brown Elementary

School Report Card for 2016-2017 School Year

School:	Ticasuk Brown Elementary	District:	16
Grade span:	K-6	School Enrollment:	488
2013-14 ASPI Score:	87.1	2013-14 Star Rating:	4
Title I School?	No	Title I Program:	NA
Accreditation:	NA		

A Title I school receives federal money to support low-achieving students. A Schoolwide Title I Program uses the money to improve the education for all students. A Targeted Assistance Title I Program uses the money to provide help for students who need it most.

This School Report Card presents information about the school's performance for the 2016-2017 school year. The Performance Evaluation for Alaska's Schools (PEAKS) assessment in English Language Arts and Mathematics were given for the first time in spring 2017 to students in grades 3-10. These two new assessments replaced the former Alaska Measures of Progress (AMP) assessments in English Language Arts and Mathematics. Students in grades 4, 8, and 10 also took the Alaska Science Assessment.

For 2016-2017, there are no Alaska School Performance Index (ASPI) star ratings and Annual Measurable Objective (AMOs) Progress reports. Due to the passage of the Every Student Succeeds Act (ESSA), which replaced the No Child Left Behind (NCLB) Act, the accountability system remains paused until the state implements a new accountability system. The ASPI score and star rating reported above are the same as those from the 2013-2014 school year. Under ASPI, each school received a score on a 100-point scale and a star rating from 5-stars (highest) to 1-star. The ASPI score and star rating gave an overall picture of how well the school did to prepare students to be college-, career- and culturally ready graduates.

Detailed assessment, ASPI, and AMO results are available on the Department of Education & Early Development website at: education.alaska.gov.

Number of Teachers With Highest Degree:			
<i>Bachelors</i>	<i>Masters</i>	<i>Ed Specialist</i>	<i>Doctorate</i>
16	13	0	0

The percentage of teachers in the district teaching with an Emergency Teacher Certificate is 0%. Alaska does not issue emergency certificates to teachers.

Additional information on teacher qualifications, including type of certification and college degree(s), is available from your school or district upon request. You may also request information on whether your child is provided service by paraprofessionals, and, if so, their qualifications.

The District Report Card and School Report Cards are available on the district website at:

<https://www.k12northstar.org/Page/7696>

* Students that identify multiple races/ethnicities are reported as “two or more races” and not in any of the races/ethnicities identified. However, if the ethnicity of Hispanic is identified, then the student is reported as Hispanic.

** A new reporting category beginning in 2014-2015 is the “Active Duty” category. This category identifies whether the student has a parent/guardian on active duty in any branch of the uniformed services of the United States, the Alaska National Guard, the Alaska Naval Militia, or the Alaska State Defense Force. This category has only been identified for three years (2014-15, 2015-16, and 2016-17).

* = results cannot be published without releasing personally identifiable information
 “+” = “or more” and “-” = “or less” example: “70-” means “70% or less”

Note: In the spring of 2016, the Alaska Measures of Progress (AMP), a computer-based test, experienced repeated technical disruptions and testing was suspended. Effective April 1, 2016, the Alaska Measures of Progress (AMP) tests in English Language Arts and Mathematics for students in grades 3-10; alternate assessments in those subjects and grades for students with significant cognitive disabilities; and science tests in grades 4, 8, 10 were canceled for the 2015-2016 year. Due to this unforeseen circumstance the results from the 2015-2016 school year are unavailable due to their cancellation.

A two-year trend for English Language Arts and Mathematics assessments is unavailable for 2016-2017 due to the transition from AMP to PEAKS. Two-year trends for English Language Arts and Mathematics will be reported starting in 2017-2018.
