As submitted to the Department of Education & Early Development
FY2023 Federal Indirect Rate

I certify that the information contained herein has been prepared in accordance with the instructions issued by DEED and conforms with the criteria in 2 CFR 200, Uniform Guidance, and is correct to the best of my knowledge and belief. No costs other than those incurred by this agency have been included in the indirect cost rate application. The same costs that have been treated as indirect costs have not been and will not be claimed as direct costs, and similar types of costs have been accorded consistent treatment. All expenditures detailed on the application form have been made, and records supporting them have been maintained and are available for review and/or audit.

We hereby apply for the following indirect cost rate:

6.04%

Federal Programs - Restricted with Carry Forward

EED USE ONLY

Your proposal has been accepted and the following rate approved:

Federal Programs - Restricted with Carry Forward 6.04%

This rate becomes effective July 1, 2022 and remains in effect until June 30, 2023 and will apply to all eligible federally assisted programs as appropriate.

Federal law or grant conditions may limit the amount of indirect cost or the indirect cost rate. For example, if the approved restricted rate is five percent and the law allows only a three percent rate of recovery, then only indirect cost equal to three percent of the direct costs for that program may be recovered.
