### MEMORANDUM

DATE: April 7, 2016  
TO: FNSBSD Board of Education  
FROM: FNSBSD Board Curriculum Advisory Committee  
SUBJECT: K-12 Health Curriculum Recommendation

---

The Board Curriculum Advisory Committee (BCAC) supports the proposed *K-12 Health Curriculum* and recommends its adoption by the Board of Education.

The proposed *K-12 Health Curriculum* reflects a lengthy process of thought, discussion and research. This proposed curriculum has been reviewed by the BCAC, principals, teachers, school level Professional Learning Communities, and members of the community, including trade unions, UAF, and UAF/CTC.

Our support for the proposed K-12 Health document evolved over the course of the year through review and discussion of the draft and discussion with the Curriculum Department. During these reviews and discussions, we voiced support, offered suggestions, and expressed concerns. The Health curriculum revisers were responsive and considered our feedback during their discussions and revision process.

At the April 7, 2016 BCAC meeting, we voted to recommend the proposed *K-12 Health Curriculum* to the Board of Education for adoption. This is a document that is strong, clear, reflects the input of our district and community, and aligns to state standards. We support the alignment to the National Health Education Standards (NHES) as well. The objectives and corresponding resources and examples within the document provide support for teachers to address all students within each domain.

The BCAC thanks the Health revision subgroups for the dedication and time devoted to the development of this document and consequently, our school system.

Respectfully submitted by the FNSBSD Board Curriculum Advisory Committee:

- Wendy Dominique, Chair
- Paula Addis
- Richard Boone
- Christina Carlson
- Octavia Harris
- Sharon Hildebrand
- Felicia Jackson
- Dr. Ute Kaden
- Aldean Kilbourn
- Earnest Kincade
- Svetlana Nuss
- Earl Peterson
- Autumn Pryor
- Fe Seymour
- Dr. Heather Willis

### MEMORANDUM

DATE: April 7, 2016  
TO: FNSBSD Board of Education  
FROM: FNSBSD Board Curriculum Advisory Committee  
SUBJECT: K-12 Physical Education Curriculum Recommendation

---

The Board Curriculum Advisory Committee (BCAC) supports the proposed *K-12 Physical Education Curriculum* and recommends its adoption by the Board of Education.

The proposed *K-12 Physical Education Curriculum* reflects a lengthy process of thought, discussion and research. This proposed curriculum has been reviewed by the BCAC, principals, teachers, school level Professional Learning Communities, and members of the community, including trade unions, UAF, and UAF/CTC.

Our support for the proposed K-12 Physical Education document evolved over the course of the year through review and discussion of the draft and discussion with the Curriculum Department. During these reviews and discussions, we voiced support, offered suggestions, and expressed concerns. The Physical Education curriculum revisers were responsive and considered our feedback during their discussions and revision process.

At the April 7, 2016 BCAC meeting, we voted to recommend the proposed *K-12 Physical Education Curriculum* to the Board of Education for adoption. This is a document that is strong, clear, reflects the input of our district and community, and aligns to state standards. We support the alignment to the Society of Health & Physical Educators Standards (SHAPE America) as well. The objectives and corresponding resources and examples within the document provide support for teachers to address all students within each domain.

The BCAC thanks the Physical Education revision subgroups for the dedication and time devoted to the development of this document and consequently, our school system.

Respectfully submitted by the FNSBSD Board Curriculum Advisory Committee:

- Wendy Dominique, Chair
- Paula Addis
- Richard Boone
- Christina Carlson
- Octavia Harris
- Sharon Hildebrand
