Dear Third Grade Parents,

The number of teachers assigned to each school is determined by a projected enrollment number configured by the district office. Unfortunately, our numbers at Ladd are currently less than what was anticipated. Although we experience a lot of transiency throughout the year, decisions need to be made with the current reality in mind. Therefore, the district office is reassigning a teacher from Ladd and we will be shifting from three 3rd grade classrooms down to two. The remaining 3rd grade teachers are Mr. Platzke and Mrs. Fortune.
