Ladd Families,

We are so happy that school is about to begin. As educators, we thrive off the positive energy of children. If you are new to us, we're glad that you're here. If you are returning, welcome back! 2018-2019 is a year of change and growth for us as we welcome our first class of 7th graders to Ladd. Don't forget to sign up for PowerSchool to ensure accurate contact information for emails, phone calls and texting, plus there are necessary acknowledgments listed under registration. You may also visit the School Website for more information: <https://k12northstar.org/ladd> I have an open door policy; however, calling the office and scheduling an appointment will ensure that I'm available. Welcome!
