

# ALASKA INDIGENOUS RESEARCH PROGRAM: INTERNSHIP OPENINGS

Looking for an exciting way to start out your summer and experience campus life?

Are you interested in helping make communities stronger and healthier?

Do you want to learn more about careers in science and public health?

ANTHC and APU invite Alaska Native and American Indian students, or others who are interested in research to apply to one of four paid internship openings to gain hands-on research skills and experience.

**May 28 - June 28**  
**Anchorage, AK**

**Application deadline: April 26**

Internship applicants must attend the Alaska Indigenous Research Program introductory research courses May 20-26.

To learn more and to apply visit
