Student safety is our #1 concern. Pull as far forward in the pick-up and drop off area as possible. Drop off & pick up is curbside only. Ensuring student safety, have your child exit the passenger side of the vehicle. If you would rather not wait in the drop off or pick up line, please park and walk your students across the crosswalk. Do NOT use your cell phone during this complex time. We appreciate your support and cooperation during these high traffic times. We all have the same goal: To keep your children safe.
