This week we have been working on getting back to our normal routine.

We will celebrate the 100th day of school on Thursday, January 30th. (this is as long as we don't have a snow day). I will need some parent volunteers to help us on this day. We will be doing many activities throughout the day from 9:15-11:15 and then again from 1:00-1:45 and then from 2:30-3:00 we will be having a fashion show (see the attached letter for more details.) Please let me know if you will be able to help us on this fun and exciting day.

I am collecting plastic lids from water bottles, soda bottles, Gatorade/Powerade/sports juice bottles, McDonald Milk lids, etc for a variety of activity and games throughout the year. Please keep sending these in.

This month, we'll be starting the first of our BOOK TALKS. This is the beginner's version of a book report. Your child will choose a book for you to read and discuss at home. On your child's "BOOK TALK DAY" he or she will tell the class about the plot, characters, and setting. It may be a book that you've read together, or it may be one of the simple texts your child has brought home from school to read to you. Perhaps it is a chapter book that you have read to your child over several days. Your child does not need to be able to read the text, but please make sure it is a book appropriate for our young readers! Here is the schedule for the upcoming week.

Jan. 14	Elise and Gryphyn
Jan. 15	Jethro and Ayla
Jan. 16	Teal and Ti
Jan. 17	Arik and Parker

Please see the attached paper for more information and the schedule for the Book Talks.

Students will need all of their winter gear (warm coat, snow pants, boots, gloves, hat) every day.

Sight Words:

Please practice the following sight words with your child.

I, like, the, and, see, we, A, to, Come, me, with, my, you, what

Calendar of Events

Jan. 20th Martin Luther King Jr. Holiday. NO SCHOOL!

Thank you for making sure your child has all of their winter gear each day. As a reminder, since many of the item's students have are the same color and size, please make sure your child's name are on everything.

We would like to welcome Ethan to our classroom.

Learning Goals/I Can Statements:

- I can use the plus sign to represent joining groups.
- I can write & solve number sentences
- I can solve problems by drawing pictures about joining 2 groups
- Word Segmentation
- Match sounds to letters
- Write uppercase and lowercase letters independently.
- Listen and respond to a story
- Discuss book parts and the information provided

Goals:

In math students will recognize numbers 0-20 in random order.

In writing students will write their first name with a capitol letter followed by lowercase letters.

In reading students will recognize all uppercase and lowercase letters and know their sounds. Students will read kindergarten sight words.
