## **Learning Goals/I Can Statements:**

- I can recognize numbers that describe 11, 12, 13,
- Word Segmentation
- Match sounds to letters
- Write uppercase and lowercase letters independently.
- Listen and respond to a story
- Discuss book parts and the information provided

As we continue to work on our handwriting, I am really watching how the students are forming their letters and making sure they are the correct size, using appropriate uppercase and lowercase letters. I have taught them about using the top, middle, and bottom (road) when writing. If students are not writing on the lines appropriately, they are being erased and asked to try it again.

I have a "Knock Your Socks Off" board in my classroom. The goal for the first semester will be to recognize all 26 lowercase letters in random order or name their sounds. Students that meet their goal will get to pick a pair of socks off the board to keep forever. Your child and I will be coming up with their goal and I will share it with you at conferences at the end of the month. Please help your child work toward meeting their goal.

Please start working with your child to learn their name, address, phone number and birthday. This information is for emergency purposes and can be very helpful. Students that are able to recite their name, address, phone number and birthday will get to choose a prize from the treasure box.

Thank you to everyone that sent in items for our silent auction basket. A special thank you to Mrs. Bressler for putting it all together for us. Don't forget to tell you friends to come and bid on it during the fall festival on Nov. 1<sup>st</sup> from 5:00-7:30.

If your child has any sport games, recitals, programs, events they participate in, please let me know when these things are happening by emailing, calling or you can fill out the invitation form that went home last week. I would love to come watch and support them in these activities. I cannot guarantee that I would be able to attend all of them but will do my best. It is always fun to see the students in their own elements and in a different setting than school and they like seeing their teacher outside of school as well.

We are working on tying our shoes, zipping our coats by ourselves and memorizing our lunch number. Students that can do these three things by Nov. 26<sup>th</sup> will be invited to a pizza party. Please start working on these at home.

The students had a great time at our Halloween party. Thank you to everyone that sent in special treats for this.

I am collecting plastic lids from water bottles, soda bottles, Gatorade/Powerade/sports juice bottles, McDonald Milk lids, etc for a variety of activity and games throughout the year.

A special thank you to Sophie-Lea's family, especially her grandfather for coming in and making the tool boxes with the students. They had a great time making these. Thank you to Mrs. DeVall, Mrs. Reese, Mrs. Black, Mrs. Bressler, Mr. Grumpy and Mrs. Mitchell for coming and helping with this project.

Veteran's day is coming up fast and we believe all Veteran's need to be recognized not just on this day but all the time. We would like to see how many Veteran's we have in our school by making a special bulletin board so we can honor and celebrate them. We would like to honor our Veteran's, both past and present. Forms are attached to this newsletter so that they may be included on our special bulletin board. If you put a picture on the forms, you will get them back after they have been displayed on the bulletin board. If you need more forms, please let me know. We really appreciate your help and look forward to seeing how many wonderful families' members we have to celebrate their time, honor and commitment to this wonderful country.
