- \*Beginning Sounds

Students will need all of their winter gear (warm coat, snow pants, boots, gloves, hat) every day.

## *Calendar of Events*

**Nov. 28-29**  
**Thanksgiving Break**  
**NO SCHOOL**

I have a "Knock Your Socks Off" board in my classroom. The goal for the first semester will be to recognize all 26 lowercase letters in random order or name their sounds. Students that meet their goal will get to pick a pair of socks off the board to keep forever. Your child and I will be coming up with their goal. Please help your child work toward meeting their goal.

Please start working with your child to learn their name, address, phone number and birthday. This information is for emergency purposes and can be very helpful. Students that are able to recite their name, address, phone number and birthday will get to choose a prize from the treasure box.

Congratulations to the following students for meeting their "Knock Your Socks Off" Goal.  
Way to GO!!!  
~Colin  
~Parker  
~Teal

On November 27<sup>th</sup> we will be having a Thanksgiving celebration/lunch. We will be having sandwiches, fruit, veggies, and cookies. Please see the attached letter to see what we are asking you to donate for this special event. All non-perishable items can be turned in anytime. All other food can be sent in on the 25<sup>th</sup>. You are welcome to join us for this lunch. Since we have a program this day, lunch will begin after the program.

We are working on tying our shoes, zipping our coats by ourselves and memorizing our lunch number. Students that can do these three things by Dec. 6<sup>th</sup> (note date change) will be invited to a pizza party. Please start working on these at home.

I am collecting plastic lids from water bottles, soda bottles, Gatorade/Powerade/sports juice bottles, McDonald Milk lids, etc for a variety of activity and games throughout the year. Please keep sending these in.

Attached you will find a bag with a set of bottle caps with lowercase letters on them and a packet of activities to be used with the bottle caps. Students area able to match the lowercase letters with the uppercase letters, match lowercase letters, make words, make sight words and etc. I will send out another packet with more ideas and things to use the letter bottle caps for. The bag of bottle caps is yours to keep. Please keep them in a safe spot. There are many activities that can be found using these bottlecaps. If you just google bottle cap activities for kindergartners, you will have many choices and options and a majority of them are FREE.

Please keep sending in the bottle caps, I would like to send home a set of number bottle caps for each student.

Thank you for everyone that sent in food for our canned food drive. Remember it goes through Nov. 21<sup>st</sup>.

We have been learning many new songs and poems and are ready to perform them for you. We will perform them on, **Wed. Nov. 27<sup>th</sup> at 11:00 in the commons.** We hope to see you there. Please remember that all visitors must sign in at the office and grab a volunteer sticker that indicts you have signed in at the office.

## **Learning Goals/I Can Statements:**

- I can recognize numbers that describe 18, 19
- Word Segmentation
- Match sounds to letters
- Write uppercase and lowercase letters independently.
- Listen and respond to a story
- Discuss book parts and the information provided
