With each of its affiliated communities (38 as of December, 2015)  
Bright Futures USA works to build grassroots capacity and  
leadership to meet children's needs.

The goal is to tap the resources of **time, talent, and treasure** that  
are unique to each community.

# Bright Futures Framework

# Synergy

**Definition:** The interaction of elements that when combined produce a total effect that is greater than the sum of the individual elements.

## The 3 Components of the Framework

1. Create communication and resource structures to meet any child's basic needs within 24 hours.
2. Build community capacity to improve problem solving capabilities to address the greater challenges faced by today's youth.
3. Provide service-learning opportunities to provide students and teachers curriculum-based, hands-on service experiences to grow generations of service-minded citizens.

Help!! We have a high school girl in need of a nice outfit suitable for interviews. She is on her own and working hard towards graduation and finding employment. She will need a size L or XL blouse and dress pants in size 13. She also needs a pair of nice shoes to match because as we all know, shoes always make the outfit! If you can help in any way, please contact Darla Armstrong at darmstrong@joplin.k12.mo.us or by calling 625-5200 ext. 2339.
