Why use the CHAMPS/ACHIEVE Acronym

(CHAMPS pgs. 148-149/DSC pgs. 136-137)

Setting lesson expectations using an acronym prior to the activity,

- Enables teachers to mentally plan
- Teacher clearly explains directions and procedures to students
- Enhancing intellectual engagement
- Loss of instructional time
- Maximize academic achievement

Setting lesson expectations is also a tool,

- Used to solve instructional difficulties
- Prevent and pre-correct student misbehavior
