

TENTATIVE AGREEMENT

6.5 Number of Evaluations

- a. Evaluations shall continue regularly throughout the employee's service. Twelve (12) month employees shall receive annual evaluations on or before their anniversary dates. School term employees shall receive annual evaluations by May 1 of each year. A school term employee who has received an overall satisfactory probationary evaluation earlier in the year will not need an additional evaluation May 1. The schedule of annual evaluations for employees does not preclude additional evaluations by the District when deemed necessary.
- b. An employee whose annual evaluation is due ninety (90) days or less from the date on which the immediate supervisor gives notice of his/her intended transfer or resignation may request the supervisor to complete an evaluation before the supervisor's departure. Such an evaluation may be considered in lieu of the annual evaluation by the District. The supervisor, in his/her discretion, may elect whether to grant such a request.
