

TENTATIVE AGREEMENT

7.11 District-Approved Summer School Programs

Currently employed school term employees shall be given an opportunity to accept summer school bargaining unit employment before the District hires employees from outside the District. Employees will be paid their current wage for summer school employment if employed in the same classification. All Special Education Teacher Aides will receive their regular wage for any Special Education Aide position. If the employee is employed in another job classification, the employee will be paid at Step 1 of the summer school classification. Fringe benefits will accrue. An employee may not use any paid leave for absences during district-approved summer school employment. Employment outside the nine (9) or ten (10) month employment period for any purpose other than summer school shall be paid in accordance with Board policy regarding temporary employment.
