

TENTATIVE AGREEMENT

516 CLASSROOM USE

Whenever possible, teachers who are assigned to one (1) classroom for the majority of the work day will be given twenty-four (24) hours advance notice when the room will be used by non-District personnel. The notice will include the name and phone number of the person responsible for the classroom use, and the date and time when the use will occur. Whenever possible, and in accordance with District administrative regulations, school-related activities shall take precedence over all other community activities.
