

TENTATIVE AGREEMENT

7800 Work-Related Injuries:

A principal who has suffered assault in connection with employment will report the episode, in writing, to his/her immediate supervisor as soon as possible.

Whenever a principal is temporarily absent from school and temporarily unable to perform his/her duties as a result of an assault incurred in the scope and course of employment, the principal will be paid full salary less the amount of any workers' compensation payments or payments made for temporary disability. The District's payments will continue for a period equivalent to that of a full contract year beginning on the date of the injury. Such temporary absence will not be counted against accrued sick leave.

To determine the length of time during which a principal is temporarily unable to perform duties and in determining that a disability is attributable to the specific injury involved, the District shall have the right to have a principal examined by a physician of its own designation. In the event there is an adjudication of the period of temporary disability in the appropriate workers' compensation proceedings, the District may adopt such adjudication.
