

TENTATIVE AGREEMENT

PREAMBLE

The Board of Education recognizes the principal, under the leadership and supervision of the Superintendent, as a management position and endorses the management team concept in the governance of the educational program.

By law, the Board of Education is charged with the responsibility to render policy decisions regarding management and instructional functions in public education. The Board of Education agrees to a decision-making process which provides for the participation of principals in the development of school district policy. Principals, as members of the management team, accept the responsibility to share in the decision-making process and to be held accountable for the implementation of policy.
