\_\_\_\_\_ I have viewed the training video on the EED eLearning site **and have attached my EED eLearning certificate of completion.**

\_\_\_\_\_ I have reviewed the [School Board Policies and Administrative Regulation 1065 - Reporting Child Abuse and Neglect](#) and understand my responsibilities as a mandated reporter of child abuse.

\_\_\_\_\_ I understand that if I have additional questions regarding reporting Child Abuse, I should immediately contact the principal. However, this does not relieve my responsibility of reporting child abuse to OCS.

\_\_\_\_\_ I understand that I must notify the building principal if I make a report of child abuse to OCS.

\_\_\_\_\_ I understand that a mandated reporter of child abuse who fails to report child abuse or neglect is guilty of a Class B misdemeanor.
