

Universal Screening

Why: The purpose of universal screening is to identify what supports students might need to grow in their learning.

What: The tools used for universal screening will be:

- Grades K-2 - AIMSweb Plus
Tests needed for composite scores in Early Literacy and Early Numeracy will administered. Individual sites may choose to give additional tests for more comprehensive data.
- Grades 3-10 – Measures of Academic Progress (MAP)
Tests in Math and Reading will be given to all students.

Who: Classroom teacher will administer the universal screeners to ALL students.

When: All K-10 students are required to take the universal screeners three time per year - once in the fall, once in the winter, and once in the spring.

2022-23 AIMSweb Plus Benchmark Windows

Fall: August 17 - September 16, 2022

Winter: December 1 - December 16, 2022

Spring: March 20 - April 7, 2023

2022-23 MAP Assessment Schedule

Fall: August 17 - September 16, 2022

Winter: January 4 - January 27, 2023

Spring: RIT score available after AK STAR state assessment

Progress Monitoring

Why: Progress monitoring is a practice that helps teachers use data to continually evaluate student growth and learning in an effort to make more informed instructional decisions.

What: The tools used for progress monitoring will be:

- Grade K-2 – AIMSweb Plus
- Grades 3-10 – MAP Growth

Who/When: Progress monitoring schedule is:

1. Students who score between the 11th and 25th percentile on the fall benchmark assessment and are receiving Tier 2 supports should be progress monitored biweekly for 6 weeks.
2. Students who score between 1st and 10th percentile on the fall benchmark assessment and are receiving Tier 3 supports should be progress monitored weekly for 6 weeks.
