

Process for Requesting Supplemental Sex Education Materials

[Alaska Statute AS 14.30.361](#) and [HB 156](#) require that any materials or guest speakers addressing sex education, human reproduction education, or human sexuality education be **approved by the School Board prior to use**. A list of School Board approved materials and guest speakers is in the district website at www.k12northstar.org/Page/8857. The process for requesting additional resources and guest speakers is outlined below.

Fairbanks North Star Borough School District Supplemental Sex Education Materials REQUEST FORM

Materials: _____ Grade Level(s): _____

Link or location: _____

Proposed by: _____
(School) (Teacher)

Building Administrator reviewed: _____
(Signature) (Date)

Administrator's comments: _____

Complete the information below and submit to the Department of Teaching & Learning by the last Friday of August. If needed, attach additional pages.

1. Have you reviewed the [adopted materials](#)? Can you demonstrate the need for this resource based on that review?

2. Resource description (approximately one paragraph).

3. What will the students learn through this resource?

4. What [national health standards](#) are covered by this material?

5. Where does this fit into the [existing curriculum](#)? Address the content area, subtopic, essential question, or mastery core objectives.

MIDDLE SCHOOL
