COVID-19 Daily Decision Tree

Review this decision tree every day before reporting to in-person school.

For Students

**Stay home for remote learning.**

**Travel outside Alaska** = Home for 14-day quarantine OR 2 negative COVID-19 tests separated by 7-14 days (see Alaska Travel Mandates).

**Close contact** = Home for 14 days from last contact with no symptoms. A negative test does not end quarantine period.

**COVID-19 symptoms (no test)** = Home isolation for 10 days and until symptoms have resolved for at least 24 hours OR a doctor’s note saying symptoms are not COVID-19 related and symptoms have resolved for at least 24 hours.

**Positive COVID-19 test** = Home for 10 days since first symptoms and at least 24 hours since last fever without fever-reducing medications. Clearance from Public Health required to return to in-person school.

---

**Has the student traveled outside Alaska within the past 14 days?**

- **Yes**
  - Go to in-person school.
- **No**
  - **Has the student been in close contact* with anyone who has tested positive for COVID-19 or been asked to self-quarantine because of close contact with an infected individual?**
    - **Yes**
      - **Stay home for remote learning.**
    - **No**
      - **Does the student have ANY of the following symptoms (with no confirmed and documented diagnosis of something other than COVID-19):**
        - Fever/Chills
        - Cough
        - Fatigue
        - Muscle or body aches
        - Headache
        - Shortness of breath or difficulty breathing
        - New loss of taste or smell
        - Sore throat
        - Congestion or runny nose
        - Nausea or vomiting
        - Diarrhea
        - Abdominal pain
        - Rash
        - Joint pain
      - **Yes**
        - **Stay home for remote learning.**
      - **No**
        - **Go to in-person school.**

* Close contact is defined as being within 6 feet of someone diagnosed with COVID-19 for 15 minutes or longer.
