

1st Grade Exploration Registration 2023-24

The first important notice is that there will **NOT** be online registration this year. Registration for 1st grade students for the **2023-24** school year is easier than ever! All Explorations will be scheduled by the Program Secretary with the 1st grade teachers' input. We will ease the 1st graders into their first Exploration schedule with only one class per quarter.

Required Explorations for 1st Grade:

Plants & Animals (Science)

Junior Scientists (Science)

My Place, Time & Space (Social Studies)

Student Schedule per quarter:

1st Quarter – No Explorations for 1st graders.

2nd Quarter – The entire homeroom class will rotate to the other 1st grade teacher for **Plants & Animals** as a group.

3rd Quarter- A mix of 1st grade students from each homeroom in Exploration classes **My Place, Time & Space** or **Junior Scientist**.

4th Quarter- The same mix of 1st-grade students from 3rd quarter will be in the opposite Exploration classes **My Place, Time & Space** or **Junior Scientist**.

Descriptions for all classes are found in the course catalog on the Barnette website, found on the tab "Our School," then "Explorations." All required classes are bold with an asterisk (*).

We are excited for next year's Explorations to encourage our students to Imagine, Explore, & Create!

Thank you for your consideration,

Christina Ried

Barnette Program Secretary
