Tips for Success

AND SO
THE ADVENTURE
BEGINS

GET INVOLVED

Try out new activities, clubs, and sports. Expand your horizons and meet new friends.

STAY ORGANIZED

You will have six classes with different teachers. Use a planner to stay organized with homework and due dates.

DO YOUR HOMEWORK

So you don't fall behind. Homework is intended to help you review important concepts and learn new skills.

ASK FOR HELP

When you need it. Figure out who can support you with academic or social challenges and reach out to them.

ATTEND OPEN HOUSE

This allows you to locate your classes and find your locker before school begins. Request a school map.

PEER PRESSURE

We all want to belong and be a part of a group. It can be hard to say no to someone we want to be our friend. Make decisions that honor your values.
