Financial Statement

Estimate the amount of scholarship aid that you will need for your first year of post high school education.

- Consult the website or port high school institution directly for where you plan to apply to reach an estimate of the cost for **one year** of education or training. **(A)**
- Consult with your parents to reach an estimate of the money that you can expect from them and from your own earnings for the **first year** of post high school education or training. **(B)**
- **Subtract the sum of B from the sum of A to get the sum in C. C will equal your scholarship request.**
