

WVHS Cap & Gown, Announcement & Class Ring Ordering and Delivery Information

The easiest way to place an order is online at highschool.herffjones.com.

The order website will be available beginning **October 21st**.

To start, enter your high school name & graduation year. Then you will see a list of options.

Selecting “Shop grad products” will display packages including the cap & gown unit, announcements, and accessory items. If you do not want a package, navigate to the bottom of the page to the green “Continue Shopping” button. You will need to click this button at the bottom of each page to proceed to the next page. Individual items are on the “Graduation a la Carte” page.

Ordering deadline is **December 31st**. After that date items may still be available, but a late fee will apply.

\$75 is the minimum deposit required, or payment in full if your order is less than \$75. Items must be paid in full before delivery. Payments can be made at highschool.herffjones.com via the “Payments” link at the top of the page.

Delivery of items:

- Clothing items will be delivered to school following winter break.
- Announcements and accessories ordered by December 31st will be delivered to school mid-March.
- Caps and gowns, no matter when they are purchased, will be handed out at school in April.
- Class rings are custom and take 6-8 weeks to create. They can be ordered at any time.

All non-personalized items may be returned for a full refund as long as it is requested in writing (text or email) before graduation.
