With the COVID19 pandemic interfering with our lives, our jobs, our schooling and our home lives, Midnight Sun Elementary School has decided to purchase the necessary supplies for our students this year. We have polled the staff and they agree, 100%, that we can reduce costs elsewhere in our budget to assist our amazing Brown Bear families who supported us during the 4<sup>th</sup> Quarter of last school year. ALSO, we were granted permission to use the remaining funds from our DODEA (Department of Defense) grant to fund a portion of the supplies. We love our military partners! We want all our students to have an equal start in regard to supplies.

Kids love to pick out new school supplies, so feel free to let them choose some items to be kept at home for homework. All students are required to have a **backpack without wheels**. All students are required to have **1 pair of nonskid marking soles PE shoes** to be left at school.

A well-fitting face mask is **REQUIRED** for all students attending school.

We love our Brown Bear families and want to help out this year because of COVID19 struggles – Supplies are on us! Read above.
