Dear Ms. Taylor:

Pursuant to Article 3100 of the Negotiated Agreement between the Board of Education, the Fairbanks North Star Borough School District (District), and the Fairbanks Principals' Association (FPA), the District hereby notifies FPA of its intent to negotiate a successor Agreement. As the selected chief spokesperson, please ensure all communications are directed to me.

The District proposes a meeting on December 14, 2018 at 8:30am in the Technology Conference Room, District Office, for the purpose of discussing ground rules and setting a tentative calendar for negotiations. If this proposed date does not work, please contact me with dates that you are available.

Please let me know if you have any questions. I look forward to a positive and successful round of negotiations between FPA and the District.

Respectfully,
