Andy DeGraw, Chief Operations Officer

January 31, 2019

2016-2019

1100 Recognition:

The Board recognizes the Fairbanks Principals' Association (FPA) as the exclusive representative for all principal positions defined in this Agreement for the purposes of collective bargaining with respect to matters of wages, hours, and other terms and conditions of employment.

A person is a principal if the District designates the position as a principal position and the District requires a Type B certificate for the position. Because charter school leaders are not required by the State or the District to hold a Type B certificate, charter school head teachers/administrators/principals are outside the FPA bargaining unit.

2016-2019

1200 Individual Membership Rights:

It is recognized that FPA bargaining unit members have the right to join or refrain from joining the FPA. Membership in the FPA shall not be required as a condition of employment in the District, and the District will not discriminate with respect to any term or condition of employment for the purpose of encouraging or discouraging membership in the FPA.

The District will not prohibit FPA bargaining unit members from taking an active part in the FPA activities; nor shall the District deny any FPA bargaining unit member his/her rights under state or federal laws.

2016-2019

1300 The FPA's Rights and Responsibilities:

The District will:

1. Provide ten (10) days leave per school year for the FPA's business. Granting of leave shall be upon written request by the FPA president to the Superintendent. The FPA may request an additional five (5) days of leave per fiscal year, so that FPA members may attend training related to collective bargaining or grievance handling. The FPA will submit any such request(s) to the Superintendent in writing, whose approval shall not be unreasonably withheld. Should such training be attended outside of the established school year, FPA members shall be paid at their per diem rate.
2. Involve the FPA in the District's preparation and process for negotiating with the Fairbanks Education Association (FEA) and the Education Support Staff Association (ESSA).
3. Involve principals in proposed changes to certificated and classified job descriptions and evaluation instruments and procedures.
4. Involve the FPA in proposed changes for the evaluation of principals.
5. Involve principals in the preparation of the school calendar.
6. Involve principals in determining building usage, or changes thereof.

2016-2019

~~1500~~ **1400 Professional Dues:**

The District agrees to continue its past practice of paying principals' professional dues to state and national principals' associations.

Unless an exemption is agreed upon regarding this provision for a charter school by the Board and FPA, the professional dues of a principal working for a charter school will also be paid by the District. All amounts for salaries and benefits of charter school principals, including professional dues, shall then be charged to the charter school.

2016-2019

2000 Grievances

It is the mutual desire of the District and the FPA to provide for the prompt adjustment of grievances in a fair and reasonable manner. The parties agree to attempt to resolve grievances at the lowest possible administrative level through free and informal communications. In furtherance of this objective, the District and the FPA have adopted the following procedure as the method for resolving grievances under this Agreement.

- Step 1: Any principal may verbally present the facts that form the basis of the problem/issue within five (5) work days of the date the grievant knew or should have known, to his/her Administrative Center supervisor. A verbal reply will be given to the grievant within five (5) work days of the meeting. If the results of Step 1 are unsatisfactory, the matter may be appealed to Step 2, provided it is reduced to writing, stating articles that have been violated, and submitted to the Superintendent within ten (10) work days.
- Step 2: The Superintendent shall arrange for a Step 2 meeting. The Superintendent will give a reply in writing to the grievant within ten (10) work days of the Step 2 meeting. If this reply is unsatisfactory, the matter may be appealed to Step 3.
- Step 3: If Step 2 is unsatisfactory, arbitration may be requested by the FPA within twenty (20) work days. The parties will attempt to agree upon a mutually acceptable arbitrator to hear the dispute. If the parties are unable to agree upon an arbitrator, a request for a list of arbitrators will be made to the American Arbitration Association and all costs associated with obtaining an arbitrator's list will be equally shared between the District and the FPA.
- The decision or award of the arbitrator shall be final and binding upon the parties. Each party shall bear the expense of preparing its own case.
- Expenses of the arbitrator shall be equally shared by the parties. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expenses of witnesses called by the other.
- The arbitrator will be without power or authority to make any decision which modifies, alters, or amends the terms of the Agreement. He/she shall have no power to change, policy, or rule of the Board.
- Time limits provided in this Agreement may be extended by mutual agreement. Failure at any step in this procedure to communicate the decision on a grievance within the specified time limit shall permit the lodging of an appeal at the next step of the procedure.

All proceedings and details thereof shall be held in strictest confidence between the parties. Any grievant has a right to an FPA representative at any step in the grievance procedure.

Funds cannot be diverted to other uses, nor can they be used for equipment purchases. Travel and employee reimbursements must follow standard district practices. By April 1st principals will notify FPA if they do not plan to use funds that year, at which point those funds will become unallocated and available for other appropriate expenditures for professional development. 2016-2019

7100 Health Benefits:

The District agrees to offer options for health plan coverage, as described below, beginning the first day of the month following thirty (30) days of employment and continuing until employment termination. For principals who elect to participate in the district's health benefits plan, coverage will extend until August 31 for any terminating principal who holds and completes a full year contract. Terminating principals or reemployed principals who qualify for health coverage under the Alaska Teachers' Retirement System (TRS) do not qualify for health coverage under the District's plan. An employee has the option to continue health plan benefits coverage at his/her own expense during a long-term leave of absence.

Principals may choose not to be covered by district health plan benefits and therefore not required to make an employee contribution, provided the employee signs a statement attesting that he/she is covered by other health insurance. Employees who wish to enroll a spouse and/or children in the district's plan may do so by completing the proper paperwork and providing the required supporting documentation to Human Resources in a timely manner.

The District offers a Plan Option A, Plan Option B and a Plan Option C. Plan options, benefits, and criteria for participation are described in the *Summary Plan Description*. The District shall provide each principal with a copy of the *Summary Plan Description* describing health care benefits and shall inform employees of any changes in benefits annually.

Employee contributions to the district's plan in the form of payroll deductions will be based on a tiered structure as follows:

Employee Only

Employee + Spouse or Employee + Child(ren)

Employee + Family

Employee contributions are based on actuaries, provided by the health plan consultant, of total health plan and are dependent on which tier of coverage is selected. Employee contributions will be deducted from employee paychecks over nineteen (19) pay periods beginning with the first pay check in September.

Total employee dollar share of health plan costs is based on the negotiated employee percentage as applied to plan costs. For the 2017, 2018, 2019 plan years the Standard group health plan, (Plan A), the District shall pay 80% and employees shall pay 20% of the health plan costs. Plan A will not be an option for new to District employees after January 2017.

For the HDHP plan (Plan B and Plan C), the District shall pay 100% and a principal shall pay 0% of the health plan costs **for 2017, 2018 and 2019. The**

dollar amount for the 100% rate in 2019 will become a hard cap of District contribution for ensuing years. ~~The dollar amount of the 100% rate will be the rate established for this contract and will not increase each year.~~

Health Plan Employee Contribution Calculation

1. The following definitions will apply:

- Base-Employee-Contribution – the amount equal to the Employee-Dollar-Share divided by the number of **eligible positions**. ~~Enrolled Active Plan Participants~~. **Beginning in the plan year 2019, Base-Employee Contribution is the amount equal to the Employee-Dollar Share divided by the number of Participating Employees.**
- Employee Contributions – amounts collected from employees during the period of September through May of the fiscal year.
- Employee Percentage – the negotiated percentage that will be applied to Plan-Costs to calculate the Employee-Dollar-Share.
- Employee-Dollar-Share – the amount equal to Plan-Costs multiplied by the Employee Percentage and is used to calculate the Base-Employee-Contribution.
- ~~Enrolled Active Plan Participants~~ **Participating Employees** – the number of benefit eligible employees who are enrolled in the plan on April 1st of the **previous** plan year.
- ~~Expected Contribution – the amount expected to be collected during the fiscal year and is equal to the number of Enrolled Active Plan Participants times the Base-Employee-Contribution.~~ **The amount expected to be collected during the fiscal year is equal to the number of Enrolled Active Plan Participants times the Base-Employee Contribution.**
- Plan-Costs – the current year of the actuarial costs as supplied by the health plan consultant.

2. Calculating Tiered Employee Contribution Rates:

At the end of each fiscal year the District will calculate the Base-Employee-Contribution for the next plan year which begins on January 1st. An employee's contribution for Plan Option A will be based on a negotiated formula applied to the tiered structure as follows:

Employee Only	75% of the Base-Employee-Contribution
Employee + Spouse or Employee + Child(ren)	100% of the Base-Employee-Contribution
Employee + Family	125% of the Base-Employee-Contribution

- ~~An employee's contribution for Plan Option B and Option C will be equal to 35% of the employee contribution for each of the plan tiers for Plan Option A. For 2020, 2021 and 2022, the employee's annual contribution for both Plan B and C will be \$0.00. The dollar amount of the District contribution in 2019 will become a hard cap of District contribution for ensuing years.~~
- For part-time employees, the contribution rate is two (2) times the full-time employee rate.

Employee-Dollar Share Adjustment- an important cost sharing feature of the plan concerns over and under collections of expected contributions. If the actual employee contributions collected are below the expected contribution at the end of a given fiscal year, the underpayment will be added to the employee-Dollar-Share in the next plan year. If the actual employee contributions collected are above the expected contribution, the overpayment will be deducted from the Employee-Dollar-Share in the next plan year.

Health plan costs are composed of claims paid, the costs of administering the health care plan by the third party administrator or its successor(s), aggregate and specific stop-loss premiums, utilization review fees, case management costs, health program audit rewards, PA Clinic, wellness initiative costs, COBRA premium receipts, refunds, consultant fees, and any added costs resulting from changes in the administration of the health benefits plan during the term of the collective bargaining agreement or due to any requirement imposed by state or federal law.

A Joint Committee on Health Benefits (Joint Committee) shall be composed of three (3) representatives selected by the Fairbanks Education Association, three (3) representatives selected by the Education Support Staff Association, one (1) representative selected by the Fairbanks Principals' Association, and three (3) representatives selected by the Superintendent. The Joint Committee shall select a chairperson from its membership. A quorum for the meetings shall require no fewer than seven (7) committee members. The Joint Committee will conduct a formal vote on any proposed changes in benefits. Passage of motions requires a super majority vote of seventy-five percent (75%). Minutes shall be taken of the meetings.

The Joint Committee ~~will be an advisory group to recommend~~ **shall be empowered to determine** health care benefits to be provided, **which shall be formalized through a memorandum of agreement between the District and a designated representative of each affected employee group.** "Health care benefits" shall include dates of eligibility for coverage, benefit schedules, deductibles, co-payment provisions, preferred provider programs, wellness

programs, and other options designed to contain costs while enhancing benefit options. **The District shall not be required to adopt changes made by this committee which would:**

- a) Result in violations of established laws or regulations;**
- b) Alter the administration or management of health care benefits;**
- c) Result in a cost increase to the Plan of more than five percent (5%);**
or
- d) Be detrimental to the financial interests of the District, as determined by the Superintendent.**

The District agrees to work with the Joint Committee to provide reasonable time for meetings and provide adequate support, including an expert health care consultant for plan design. Administrative leave will be provided for all participants.

Plan B will be a qualified High Deductible plan eligible for Health Savings Account (HSA) and Plan C will be a qualified High Deductible plan eligible for Health Reimbursement Arrangements (HRA).

For employees enrolled and participating in a qualifying Health Savings Account (HSA) "Plan B" or a Health Reimbursement Arrangement (HRA) "Plan C" the District will make a seven hundred fifty (750) dollars contribution each year. **Part-time employees will receive the same HSA and HRA contribution rate as full-time employees.**

2016-2019

The District shall provide group life insurance for each full-time member of the bargaining unit in an amount equal to the principal's annual salary rounded up to the nearest thousand. The policy shall include a double indemnity provision.

2016-2019

7300 Physical Exam:

~~The District shall cover costs of physical examinations required as a condition of employment and that are identified by the District's approved "Physical Examination Record" form. Principals may go to the physician of their choice, but reimbursement by the District will be limited to costs negotiated between the District and local clinics.~~

~~Only a statement of ability to perform work duties will go into the principal's medical file. The principal's exam form shall be kept on file at the doctor's office.~~

2016-2019

7400 Errors and Omissions Insurance:

The District shall purchase professional errors and omissions insurance covering all members of the FPA bargaining unit. Cost for this coverage shall be borne fully by the District. 2016-2019

7800 Work-Related Injuries:

A principal who has suffered an assault in connection with employment will report the episode, in writing, to his/her immediate supervisor as soon as possible.

Whenever a principal is temporarily absent from school and temporarily unable to perform his/her duties as a result of an assault incurred in the scope and course of employment, the principal will be paid full salary less the amount of any workers' compensation payments or payments made for temporary disability. The District's payments will continue for a period equivalent to that of a full contract year beginning on the date of the injury. Such temporary absence will not be counted against accrued sick leave.

To determine the length of time during which a principal is temporarily unable to perform duties and in determining that a disability is attributable to the specific injury involved, the District shall have the right to have a principal examined by a physician of its own designation. In the event there is an adjudication of the period of temporary disability in the appropriate workers' compensation proceedings, the District may adopt such adjudication.

2016-2019

The employee has two compensation options during any absence in conjunction with a work-related injury:

1. The employee may choose to take worker's compensation payments in lieu of a salary benefit and retain his/her accrued sick leave. The worker's compensation benefit will always be lower than the sick leave benefit.
2. The employee may choose to take worker's compensation payments and receive, through use of sick leave, additional wages up to the employee's normal gross wage.

An employee on worker's compensation shall accrue all leave benefits available for that position.

The length of time a principal is in a leave-without-pay status due to the specific disability shall be up to one (1) school year. Should the disability continue beyond this time, the principal may, as determined by the District and consistent with applicable law, be non-retained or dismissed.
