

FAIRBANKS NORTH STAR BOROUGH BOARD OF EDUCATION

RESOLUTION 2012-05:

ADMINISTRATIVE CENTER MECHANICAL SYSTEM PROJECT REQUEST

WHEREAS, public safety, good maintenance, and energy conservation of all Fairbanks North Star Borough school buildings are consistent goals of the school district; and

WHEREAS, periodic investment in major maintenance of our building components is one of the best ways to reach these stated goals; and

WHEREAS, the Borough has established a school facilities maintenance fund (BSFMF) for these stated purposes; and

WHEREAS, state reimbursement of at least 70 percent of all expenditures for DEED approved major maintenance projects is available; and

WHEREAS, this is an excellent long-term investment in local public facilities and will ultimately reduce operational expenses and the need for facility capital funding; and

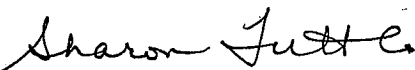

WHEREAS, the district would like to work with the borough on completing this major maintenance and upgrade project from the district's six-year capital improvement plan.

NOW, THEREFORE, BE IT RESOLVED the Fairbanks North Star Borough Board of Education requests the Fairbanks North Star Borough Assembly and Mayor approve and schedule upgrades to the district Administrative Center's mechanical and HVAC systems in accordance with the Board's capital improvement plan, using the BSFMF, as soon as possible.

PASSED AND APPROVED: November 1, 2011

Kristina Brophy, President
Board of Education
