Meeting commenced: 3:33pm

Approval of meeting minutes from 3/19/2020: Jason moved, Dave seconded, all approved to accept minutes.

Lottery Update:

- The lottery was postponed to 4/30/2020. Application deadline moved to 4/15/2020.
- Middle school: One upcoming 8th grader (currently 7th grader) will be leaving, and as of this meeting, there has been only 1 middle school application.
 - There may be more 8th grade spots.
 - To preserve a full middle school (44 students), we may need to have 23 7th graders and 21 8th graders in 2020-2021 school year. There is 1 sibling on the waitlist. APC members were in favor of this scenario.
- Less than 7 kindergarteners will be coming from siblings, so there are more spots in 2020-2021.
- The number of applicants is a little lower than in the past.
- Planning on doing the lottery by Zoom. This will only be open to applicants.

Distance delivery status:

- Student engagement doing well. There are very few families/students that teachers are not hearing from.
- Staff are hitting a stride at this point (3rd week).
- District wide
 - Discussions on what the last day will be because we need to get laptops back from students. Watershed will follow the Districts decision.

Parent meeting:

- Jarrod is thinking of holding a parent meeting. He will reach out to the PTSA to collaborate.

Report to the FNSB School Board:

- This year, the Board wants a 1 page report with stats and a brief summary. Jarrod will distribute a draft for the APC to review.

Budget Update:

- Sharon will not be retiring, so next years budget will include cutting a staff position.

Next Meeting: 5/14th at 3:30pm
