

# After School Program Behavior Agreement

We are looking forward to providing a fun and engaging after school program for your child and you here at Barnette Magnet School. Our expectations for staff and students is to treat one another with kindness and respect. This year we will have students and parents sign a behavior agreement for our time at the After School Program. Our expectations for students during ASP are the same as during the regular school day. We desire to keep open communication between program staff and families and want to assist all students in developing the ability to make positive choices, most importantly to be respectful, responsible and kind. If a student's behavior becomes an issue students will first be given reminders and encouragement to make positive choices, if the behavior continues they may be asked to take a break from an activity as needed. If a student continues to struggle with behavior we will log the behavior, calls to parents and discipline reports will be made as needed.

**Please take a moment to read with your student and initial each statement.**
